Today is ... schedules on different days. Locate the schedule that applies to your trip.

Now, read down – you're looking at a full list of times when a bus will pass that timepoint.

Found your timepoint? Great. Now, read down – you're looking at a full list of times when a bus will pass that timepoint.

So I should arrive at... Pick your departure time and read across. The bus will arrive at timepoints down the line at the times shown.

They are major points along the route that "anchor" the schedule. Buses make other stops, too – use the nearest timepoint to estimate when your bus is due.

Once you determine the direction you're heading, read across the schedule. Buses move "left to right" across the schedule.

Weather, traffic, and other unforeseen can impact schedules. Please allow ample time to complete your trip. And always arrive at your stop a few minutes early!
